HILLARY CLINTON

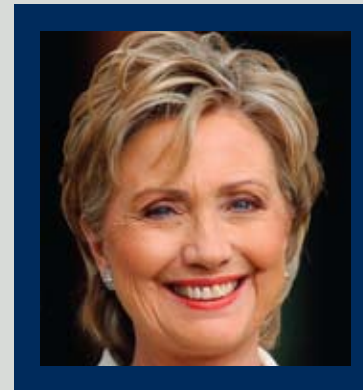

A TESTED, EXPERIENCED LEADER TO CHANGE AMERICA.

THIS ELECTION REALLY MATTERS.

Our soldiers are dying overseas.

Our children are falling behind.

Our families are struggling to keep up.

That's why we need **HILLARY CLINTON** as our next President. Hillary Clinton has proven herself, and she has grown from her experience. She not only has a plan for America - she has the strength and experience to actually change our country.

After eight years of misplaced priorities, we need a responsible leader with real experience.

**WE NEED HILLARY CLINTON
IN THE WHITE HOUSE.**
